

Introducing the

# NHS Knowledge and Library Hub

[www.library.nhs.uk/knowledgehub](http://www.library.nhs.uk/knowledgehub)

Search journal articles, e-books, guidelines and clinical decision tools, **all in one place.**

**Go directly to full text**, as an immediate download or on request from an NHS library.

**Avoid the less-reliable sources** you might find in a general web search.

**Click the text on the grey bar to log in with your NHS OpenAthens account**

This lets you see the full text of all the resources NHS libraries buy for you.

**Type your search words in the box and click Search**  
You can search for a topic, a journal article or a book or journal title.

**You will see results which contain all your search words**

Toggle natural language search and query the Hub by asking it a question

**Key resources and services are linked from the home page**

Check Further resources if you need to access databases for literature searching

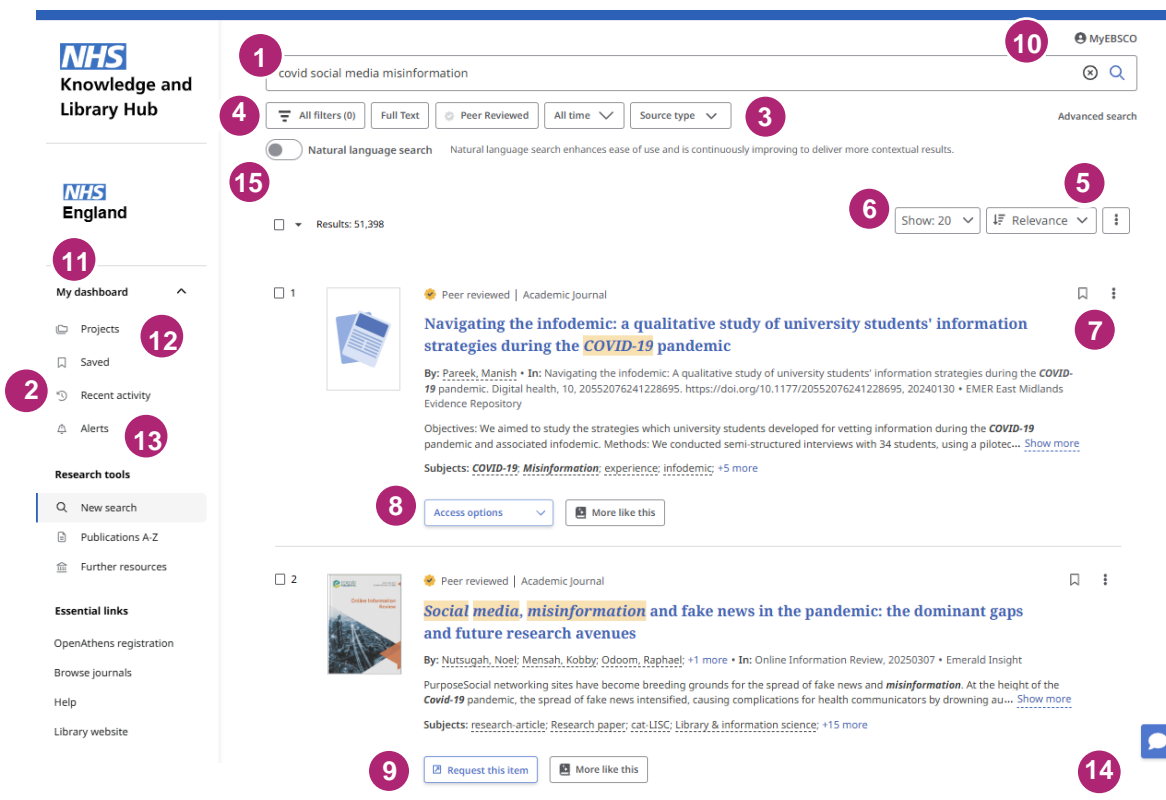

The screenshot shows the NHS Knowledge and Library Hub homepage. At the top, a grey bar contains the text "Welcome, Guest. Sign in with NHS OpenAthens for full access". Below this, the NHS logo and "Knowledge and Library Hub" are displayed. A search bar is prominently featured with the placeholder text "Searching health and care evidence". To the right of the search bar are links for "Advanced search" and "PICOT", and a toggle for "Natural language search". Below the search bar, a section titled "Quick evidence sources" displays five cards: "BMJ Best Practice" (Evidence summaries), "The ROYAL MARSDEN Manual Online" (Clinical procedures), "NICE CKS" (Evidence summaries), "The Maudsley Prescribing Guidelines in Psychiatry" (Drug information), and "BNF BNFC" (Drug information). On the left side, a sidebar menu includes "My dashboard", "Research tools" (with a "New search" link), "Essential links" (with links for "OpenAthens Registration", "Browse journals", "Help", and "About the Hub"), and "Further resources". Annotations with pink arrows point from the text blocks to specific elements: from the login instruction to the grey bar; from the search instruction to the search bar; from the results instruction to the search bar; from the natural language search instruction to the toggle; and from the key resources instruction to the sidebar menu.

## Change your search

- 1 Add or remove search words in the **search box** to tweak your query
- 2 Use **Recent activity** to combine results of your searches
- 3 Narrow your search using **Quick filters** below the search box
- 4 All **filters** offers more options to narrow your results

## View your results

- 5 Click **Relevance** to sort your results by date.
- 6 **Show** lets you increase the number of results displayed
- 7 Click the title for a more detailed record. The **save** icon  adds the record to the **Saved** section 

The screenshot shows the NHS Knowledge and Library Hub search interface. The search bar at the top contains the text 'covid social media misinformation'. Below the search bar, there are filters for 'All filters (0)', 'Full Text', 'Peer Reviewed', 'All time', and 'Source type'. A 'Natural language search' toggle is also present. The results section shows two search results. The first result is titled 'Navigating the infodemic: a qualitative study of university students' information strategies during the COVID-19 pandemic'. The second result is titled 'Social media, misinformation and fake news in the pandemic: the dominant gaps and future research avenues'. The interface includes a sidebar with 'My dashboard', 'Projects', 'Saved', 'Recent activity', 'Alerts', and 'Research tools'. The 'My dashboard' section is highlighted with a red circle. The 'Recent activity' section is also highlighted. The 'Research tools' section includes 'New search', 'Publications A-Z', and 'Further resources'. The 'Essential links' section includes 'OpenAthens registration', 'Browse journals', 'Help', and 'Library website'. The 'MyEBSCO' logo is in the top right corner. The 'Access options' and 'Request this item' buttons are visible for the first result. The 'More like this' button is visible for the second result. The 'Save' icon is visible in the bottom right corner.

## Get the full text

- 8 Click **Access Online** for full text links **Get PDF**, **PDF Full Text** or **Access Online** will all take you straight to an online copy you can download
- 9 Clicking **Request this item** will open a request form to send to your library

## Manage your results

- 10 Log in and **MyEBSCO** allows you to save searches / records
- 11 **My dashboard** is where you find saved items and alerts
- 12 You can add records / saved searches to **Projects** to help you organise your work
- 13 **Alerts / Saved Searches** are created by clicking the three dots near 5

- 14 **Ask-a-librarian** links you to your Knowledge and Library Service Team.

## Natural language search

- 15 Toggle natural language searching and enter your query as a sentence. The Hub will translate your search
