

Introducing the

NHS Knowledge and Library Hub

www.library.nhs.uk/knowledgehub

Search journal articles, e-books, guidelines and clinical decision tools, **all in one place.**

Go directly to full text, as an immediate download or on request from an NHS library.

Access **trusted** and **quality-assured** information sources

Log in to your NHS OpenAthens account

Do this first to smooth access to the full text of all the resources purchased for you by NHS libraries.

Start your research

You can search for a topic, a journal article, a book title, or a journal title.

Toggle on AI-assisted search

Perform traditional keyword searches or try queries using everyday speech in question or statement form.

Key resources and services only a click away

Check "Further resources" from the "Research tools" menu if you need to access databases for literature searching.

The screenshot shows the NHS Knowledge and Library Hub website. At the top, there is a navigation bar with the NHS logo, a search bar, and menu items like 'New search', 'Browse by', 'Research tools', and 'Essential links'. Below the navigation bar, there is a search bar with the text 'Searching health and care evidence' and a search button. There are also filters for 'Peer reviewed', 'Full text', and 'All dates'. A toggle switch for 'AI-assisted search' is visible, with an arrow pointing to it from the text 'Toggle on AI-assisted search'. Below the search bar, there are two sections: 'Quick evidence sources' and 'NHS England resources'. The 'Quick evidence sources' section includes cards for 'BMJ Best Practice', 'The Royal Marsden Manual Online', 'NICE CKS', 'The Maudsley Prescribing Guidelines in Psychiatry', and 'BNF BNFC'. The 'NHS England resources' section includes cards for 'Knowledge Management Service SharePoint site', 'Workforce Evidence Briefs', 'Knowledge Mobilisation Framework', 'Register for bulletins', and 'Register for Knowledge Share'. Arrows from the text 'Key resources and services only a click away' point to these resource cards. A 'MyEBSCO' button is located in the top right corner. A chat icon is in the bottom right corner.

Change your search

- 1 Add or remove search words in the **search box** to tweak your query
- 2 Toggle on **AI-assisted search** to enter your query as a question or sentence
- 3 Narrow your search by selecting and applying **Filters**
- 4 Use **Recent activity** (in **Researcher menu**) to combine results of your searches or check what you searched

View your results

- 5 Results are **Relevance** ranked – you can sort by date instead
- 6 You can adjust the **#** of results to be displayed at a time
- 7 Click the item title for more details. Selecting the **Save** icon adds it to your Saved section (**Researcher menu**)

Get the full text

- 8 Select **Access options** for full text links. **LibKey Instant PDF** will take you direct to a copy you can download
- 9 Selecting **Request this item** will open a request form to send to your library

The screenshot shows the NHS Knowledge and Library Hub search results page. The search query is 'covid social media misinformation'. The page displays 11,272 total results. The first result is 'An Analysis of College Students' Behaviors Regarding Misinformation Social Media During the Pandemic' by ChanLin, Lih-Juan. The second result is 'Social and Ethical Dimensions of Public Dissemination of Medical Research and Health Data: A Qualitative Study' by Saeedeh Saeedi Tehrani, Mina Forouzandeh, Saeed Biroudian. The third result is 'Unveiling emotional contagion in COVID-19 misinformation: Computational'. The page includes a search box (1), an AI-assisted search toggle (2), active filters (3), a list of filters (3), a results list (4), a relevance sort dropdown (5), a results per page dropdown (5), a relevance sort dropdown (6), a save icon (7), an access options dropdown (8), a request this item button (9), a researcher button (10), a researcher menu (11), and a sign out button (12).

Manage your results

- 10 Login with OpenAthens and you will be logged in to your MyEBSCO account (no separate username required) – access this via the **Researcher** button on the top navigation
- 11 The **Researcher menu** is where you find your saved records and searches from one session to another. **Projects** can help you organise around a piece of work. You can manage any alerts here **Alerts**. Create Alerts/Saved searches by opening the menu to the right of 6 Using the three dots
- 12 **Ask-a-librarian** links you to your Knowledge and Library Service team
